

TRACK GUARD

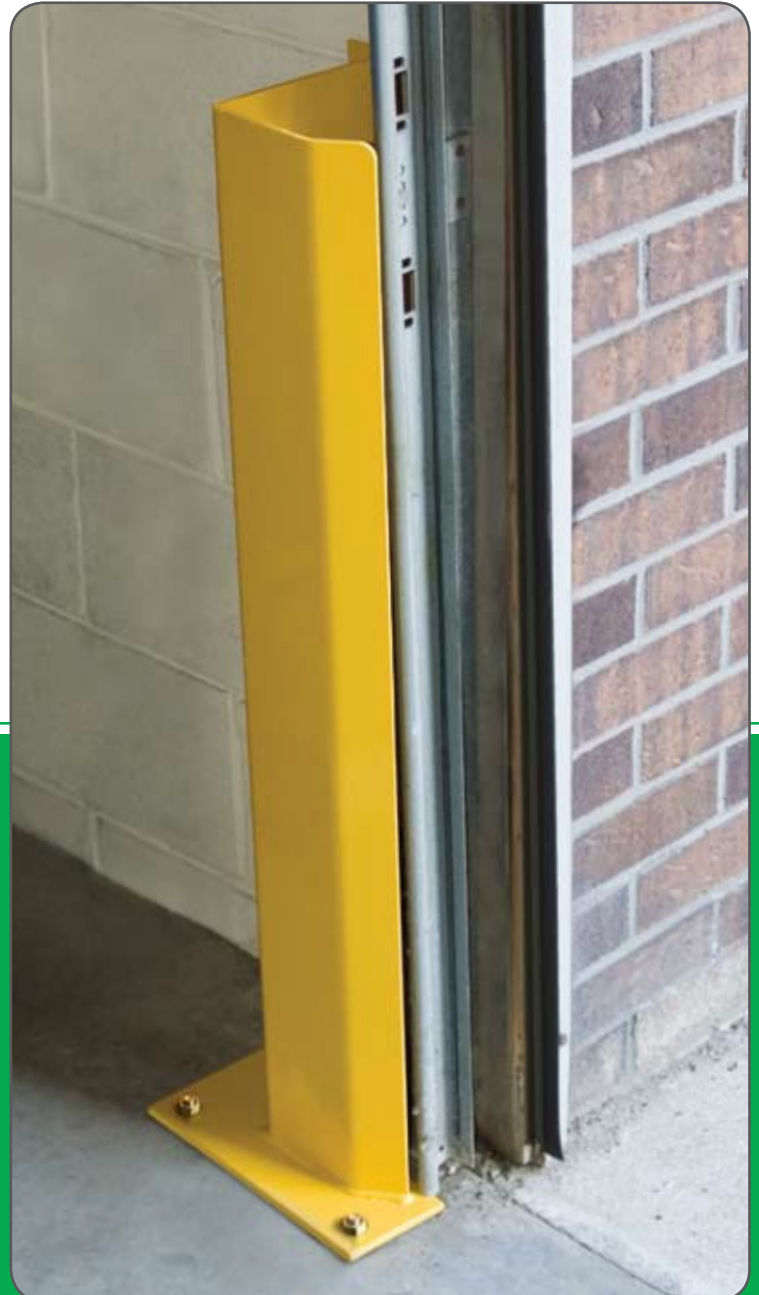

Protect Your Investment

TRACK GUARD

Protects overhead door tracks from damage caused by impact from skids being loaded onto trailers. Prevents down time in loading dock area that can lead to interference with production and costly repairs.

- ▶ Available 24", 36", 48" or 60" high
- ▶ 3/16" thick steel for superior strength
- ▶ Uses 5/8" or 3/4" wedge anchors for ultimate support
- ▶ Custom heights available
- ▶ Highly visible safety yellow
- ▶ Floor mounted base plate
- ▶ Wall mounted support for extra strength
